PARENT CONFERENCES Parent Conferences are scheduled for next Friday. No report cards will go home this quarter without a conference.

AFTER SCHOOL BAND Our band will begin meeting after school for group practice starting Thursday. Students should be picked up (or go to Aftecare) at 3:00. They will be meeting regularly on Thursdays from now on.

CHEESECAKE SALE Our annual cheesecake sale begins next Thursday, February 11th. The children will be bringing home sales information at that time. The sale runs for three weeks only and all orders must be in by March 4th. As in the past, the cheesecakes must be paid for when taking orders. The pick up day is Wednesday afternoon, March 31st.

CLASS COLOR DAY You can see a picture of our students in their class colors (Tuesday) on our web site.

SCAVENGER HUNT Congratulations to our 1st graders who won this year's scavenger hunt by finding 35 of the 40 items on the list. FYI, no one brought in a key lime, or a Friday Newsletter from April 2, 2004. Only one person brought in a "scouting" postage stamp and it was an antique (a 44 cent "Scouting" stamp is currently on sale at your local post office). Kindergarten came in 2nd, closely followed by Mrs. Burak's PreK.

GAME NIGHT The *Parent Guild* is hosting another "Game Night" tonight from 6:00 until 8:30 in our lunch room. Bring a game to share/play with others. A parent is required to stay with their children.

ART WORK ON DISPLAY You can see pictures of our students at the Diocesan Art Show on our web site. The Bishop is in one of them. Thanks to Mrs. Brown for all her work in making this show happen for our children. Our apologies to Olivia Pettit whose art piece was missing from the exhibit.

WITNESS CLUB Our Witness Club will be meeting Tuesday afternoon until 3:10.

CHOWDER SALE The *Parent Guild's* annual Chowder Sale will be Friday, February 26th starting at noon. This is Friday of the week following the winter break, so mark your calendars. They will have both Manhattan and New England style chowder available. As in the past, the chowder will be made by Old Daley Inn. In past years the chowder has sold out very quickly. We will be sending home a reservation form early in the week following the winter break.
